20 The draft minutes of the August 10, 2016 meeting were reviewed. Mary Ann made a motion to

28 **Mail/Announcements**
29

- 30
- 31 • An email was received from Jane Lydick Staid proposing a project of photographic
32 images of the exterior and interior of some of the local historic buildings and sites. She
33 mentioned perhaps selling some of the basic images initially taken at the upcoming
34 craft fair, and a percentage of the sales would go to the Heritage Commission. Per
35 Carol, whatever she donates would go into the Heritage Fund. Jane would need to talk
36 to Betsy in order to get into the VIS buildings. There was discussion also about asking
37 her about pricing for prints, canvas and notecards and Carol will respond to Jane with
38 the consensus.

39 **Discussion**
40

41 **1. Old Meeting House Stewardship Agreement**
42

43 The Agreement is to be signed on Friday (time unknown – maybe 6:30?). Carol asked if
44 someone would go to take pictures. Mary Ann volunteered to do it.
45

46 **2. Old Home Day**
47

48 Bill Gard will not be available so someone needs to be with Jan Danisevitz at the Old Meeting
49 House. Linda will go but she may need to leave early. Carol did some cleaning at the

50 Stagecoach Stop and Store, took the donor board up, and put up some brochures.
51 Carol, Margerite, and Mary Ann will go on Saturday or Sunday to do some cleaning.

52

53 **3. October 29, 2016 Event**

54

55 Carol drafted a letter to the Board of Selectmen seeking permission for this event and it was
56 reviewed and agreed upon.

57

58 Carol had sent Stacy O'Connor from Recreation a list of questions which Stacy responded to
59 and the list was gone over this evening. Carol had contacted the speaker about a microphone
60 and he said his presentation would only be one hour, from 2-3 p.m. Carol had asked Stacy
61 about costs and they are getting candy for the kids and Heritage and Recreation could split
62 that cost or pre-make bags with candy and small trinkets. Stacy will contact a person at
63 Timberlane for students who need community hours who could see if he can round up tour
64 guides. Recreation and Heritage can dress in costume and help in handing out candy if they
65 would like.

66

67 Carol also suggested coming up with some historical facts to be shared about Tuckertown
68 Road along the spooky walk such as the site of the Sanborn Tavern at the end of the road.
69 Lanterns can be made and held along the walk. Per Carol, we can remount some of the
70 displays in the Old Meeting House as well as the two gray poster boards on the Parsonage
71 Lands. Per Judi, a detail police officer has been arranged for crossing the street. There will be
72 a chiminea for the children to roast marshmallows and refreshments at the Old Meeting House
73 which Recreation is taking care of.

74

75 Per Judi, if it rains, possibly the event can be moved to the Community Center. Stacy will see
76 if it is available. The Straffords were kind enough to run an extension cord from their house to
77 the Old Meeting House in the past and may be willing to do it again. Carol will ask them. The
78 Community Center has a screen. NH Humanities will advertise this event in their booklets and
79 will use the description on our application. Carol read it and everyone was in agreement with
80 it. Judi talked about setting up a group page on Facebook as it gets closer for the community
81 page, and Carol will notify the Carriage Towne News. Judi will come back with input from the
82 Recreation Committee. Heritage will meet with Stacy next month.

83

84 **4. Meeting House Subdivision**

85

86 There was a meeting among the attorney, Carol, Mr. Hatch, and Mr. Delory which lasted an
87 hour. Mr. Delory brought a deed researcher/title examiner. There was no consensus. At the
88 end nothing was resolved and nothing has been decided regarding the survey by the town on
89 the town's land. The Planning Board meets August 25 at 7:30 and their clock has run. They
90 had agreed upon an extension to tomorrow. There is no decision regarding an independent
91 survey. Carol urged members to attend the Planning Board meeting tomorrow to see what
92 happens. Asking for conditional approval may be their next step. Carol drafted a letter to the
93 Planning Board which was approved tonight. Heritage has a different opinion as to where the
94 triangle was. If they do take the town to court, they may argue that Heritage tried to delay so it
95 is important to get our reasons for disagreement on record with the Planning Board.

96

97 If the Planning Board denies them tomorrow, they have 30 days to appeal to the Superior
98 Court. Barry will put the Heritage Commission's letter (which everyone agreed to) on record at

99 the August 25 meeting. Mary Ann made a motion that Carol presents the letter tomorrow night
100 at the Planning Board meeting. Marguerite seconded the motion and it passed unanimously.

101

102 **5. Terra Realty Trust Graveling Operation**

103

104 Carol asked if anyone had questions about the issue. Carol clarified that the town did not
105 gravel the entire road in 1993, but only a section where a culvert was repaired or replaced.

106

107 **6. Member Items**

108

109 Judi will be away from September 17 through October 1, 2016.

110

111 Adjournment
