**Article 2020-03                      State Mandated MS4 Regulations**

To see if the Town of Danville will vote to amend the Danville Zoning Ordinance to address the Municipal Separate Storm Sewer Systems (MS4) regulations mandated by the United States Environmental Protection Agency (EPA) and the New Hampshire Department of Environmental Services (NHDES). Specifically, this would modify Section VII.E (General Provisions - Water, Health and Safety Provisions) of the Zoning Ordinance to add the following:

For construction activities (including, but not limited to, development & redevelopment) in the Town of Danville, New Hampshire which:

1. result in a land disturbance of greater than one (1) acre (including disturbance of less than one acre if part of a larger common or phased plan that would disturb more than one acre); and
2. is currently in a portion of the Town designated as a Regulated MS4 area by the United States Environmental Protection Agency and subject to the New Hampshire Small MS4 General Permit; and
3. is not associated with an agricultural use (e.g., plowing of fields), typical roadway maintenance, emergency projects, nor tree trimming/harvesting

the following requirements shall apply:

- The applicant shall apply to the Planning Board for a Subdivision or Site Plan review, as applicable
- The Applicant shall submit to the Planning Board, as part of a Subdivision or Site Plan Review, a Construction Stormwater Management Plan (CSWMP) which includes the following sections:
  - o Sediment and erosion control practices at the construction site, including controls for demolition debris, litter and sanitary waste
  - o Method for minimizing the amount of disturbed area and protection of natural resources during construction
  - o Method for stabilization of the site when the project is complete or when operations have temporarily ceased
  - o Protection of slopes on the construction site
  - o Protection of storm drain inlets (or similar drainage structures) during construction, if any
  - o Perimeter controls at the construction site
  - o Stabilization of construction site entrances & exits to prevent offsite tracking
  - o Control of construction wastes including, but not limited to, discarded building materials, concrete truck wash out, chemicals, litter, and sanitary wastes
  - o Schedule for inspection and enforcement of all items contained in the CSWMP by the Town Engineer (or other person or persons designated by the Planning Board) during and at the completion of construction; Inspections shall be conducted quarterly at a minimum and shall be at the developer's expense
- The Applicant shall include a note on the application stating: "All or part of this development is currently in an area designated as an EPA MS4 Regulated Area and subject to the New Hampshire Small MS4 General Permit."
